Privacy Policy

JSJS manages personal information with responsibility and uses personal information within an appropriate range for management of the society, and list-of-names distribution to the members. For the convenience on research among members and the smooth management of the society, personal information may be opened to the board members or the committees of JSJS. JSJS may entrust personal information to affiliate companies, when JSJS commissions a part of JSJS management to these companies. If you have a request for disclosure, correction, or deletion of your personal information, or when the information from JSJS is unnecessary, please contact us.

Inquiry
