Privacy Policy

JSHS manages personal information with responsibility and uses personal information within an appropriate range for management of the society, and list-of-names distribution to the members. For the convenience on research among members and the smooth management of the society, personal information may be opened to the board members or the committees of JSHS. JSHS may entrust personal information to affiliate companies, when JSHS commissions a part of JSHS management to these companies. If you have a request for disclosure, correction, or deletion of your personal information, or when the information from JSHS is unnecessary, please contact us.

Inquiry

For any inquiry, including payment and the management of private information, please contact JSHS Office.
